The image displays the technical specifications for the ABRAÇADEIRA (CSB 4767). It includes a perspective view of the component, which is a metal bracket with a cylindrical end and a flat base. The orthographic views provide the following dimensions:

- Front View:**
 - Top width: 43,8
 - Bottom width: 40
 - Inner diameter: $\varnothing 10$
 - Inner diameter: $\varnothing 8,2$
- Side View:**
 - Top width: 22,8
 - Height from base to top of cylinder: 71,8
 - Height from base to center of cylinder: 61,9
 - Height from base to center of inner hole: 62
 - Base thickness: 8
 - Labels: 'solda' (weld) points to the top and bottom of the cylinder.
